Dear Colleague

The 20<sup>th</sup> annual meeting of the Neuro-otology Society of Australia will be held on 12 and 13 November at the Alfred Hospital, Melbourne.

Our principal guest speaker this year will be Professor Ji Soo Kim from the Department of Neurology, Seoul National University Bundang Hospital. Prof. Kim has a wealth of clinical experience and has published widely in many areas of Clinical Neuro-otology.

There will be the usual interesting clinical case discussions, as well as some didactic presentations on topics of interest. The meeting is always friendly and informal and will be of major interest to otologists, neurologists, audiologists and physiotherapists, as well as ENT and neurology trainees.

Please note that we will again run a morning teaching session on Friday 12 November. The main meeting will begin on Friday afternoon and will run all day Saturday.

**If you have an interesting case please forward an abstract to me by October 1st.**
