

ALBURY WODONGA NEUROLOGY

requires a full-time

CONSULTANT NEUROLOGIST

Albury Wodonga Neurology is a general neurological practice servicing North-Eastern Victoria and Southern New South Wales (population base 200,000-250,000) with established full radiological services and visiting neurosurgical consultation.

Changing practice circumstances and increasing patient demands have resulted in a full-time consultant position becoming available.

Consulting appointments at Albury Wodonga Health, Albury Wodonga Private Hospital, Mercy Health Care and Murray Valley Private Hospital are available with the potential for establishing an inpatient Stroke Unit service.
