This is an incredible region of Aotearoa - New Zealand with a lovely climate boasting some of the highest annual sunshine hours year after year and is a wonderful place to work and enjoy life. The schools are excellent, and Nelson is well connected to the rest of New Zealand and the world via its centrally located and well served domestic airport terminal.

There are three national parks nearby providing ample opportunities for quality family-time and appreciation of nature's wonders. The region is renowned for its breath-taking natural landscapes, with stunning geography capturing everything from unbelievably long golden beaches to rugged mountains and untouched forests.

These magnificent features offer endless opportunities for mountain biking, walking/hiking, water sports and skiing. The region is also well known for its café culture, wineries, art, crafts, and relaxed lifestyle.
