

Consultant Neurologist

- Full-time, permanent position
- Nelson based and serving the top of the South Island
- Sunny, coastal lifestyle location!

Ngā mōhiohio e pā ana ki tēnei mahi (About this position)

Nelson Marlborough Health (NMH) is seeking a full-time Neurologist to join the Department of Medicine at Nelson Hospital. As we operate services district-wide you will be required to provide services at both Nelson and Wairau Hospital in Blenheim.

The successful applicant will complement our existing services consulting to the inpatient services and providing outpatient services. You will be forming a team of two neurologists, aptly supported by general physicians and geriatricians with neurology sub-interests. This role does not provide an on call service so supporting your wider team of colleagues is crucial to the success of this position.

Ko wai he kaitono tōtika? (Who is an appropriate applicant?)

We are looking for a specialist who is ready to bring their skills and experience to our provincial hospitals and enjoy the lifestyle that this affords. You will be vocationally registered with the NZ Medical Council and expertise in neurophysiology would be favoured. You will be a highly skilled diagnostician who is a great team player, with excellent communication skills.

Qualifications required upon taking up the position:

- FRACP or equivalent
- Vocational or eligible for vocational registration with the Medical Council of New Zealand
- Hold a current annual practising certificate
