

Consultant Neurologist sought for busy Private Practice in Upper North Shore, Sydney - part-time.

An exciting opportunity is available for a Neurologist to join a physician-based practice in the upper North Shore region of Sydney. We are a well-established practice with an established patient and referral base.

We provide full administrative support and access to electrophysiological equipment along with mentorship, if requested, for doctors new to private practice. Work hours are flexible and this position is suitable for a Neurologist seeking part-time private practice.

To express your interest, please email your CV and contact details to admin@hornsbyneurology.com or alternatively phone 0418 411 774.
