

MigraineTM Specialist

Neurologist

Migraine Specialist – Spring Hill - Brisbane

About the business:

Migraine Specialist is located just outside of Brisbane City, and has a close-knit team of seven staff. We are looking for a Neurologist to come in and consult one day a fortnight (looking to be weekly once a patient basis is built up).

About the role:

One day a fortnight from 9am to 5pm, consulting with patients. Offering 66% of daily earnings (adding up to between \$4000-\$5000).

Benefits and perks:

The consulting rooms are fully equipped and modern, and there will be a busy patient load from day one. We are an established practice, and there will be full-time nursing and admin support provided, as well as having our current neurologist on-site.

Essential Requirements:

Must hold AHPRA registration

Please contact Carly Bowden, Practice Manager, if you have further questions about the position. [\(07\) 3831 1611](tel:0738311611) manager@migrainespecialist.com.au

We are committed to Equal Employment Opportunity, Ethical Practices, and the principles of Cultural Diversity and promote a smoke-free work environment. Appropriate criminal record checks conducted for all positions
