## **MYOSITIS**

The Myositis Association Australia is pleased to announce that it will be holding its 3<sup>rd</sup> National Conference on the 6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup> May 2019 at the Rydges Hotel, Adelaide.

This is normally a patient conference, but we are now extending it to include any specialists and allied health care workers, who have an interest in Myositis. As you will see from the programme we have invited a number of top specialists in this field to speak at the conference. We have also allocated a spot in the programme so that all specialists and allied workers can get together with the speakers to discuss the advances and treatments in all forms of Myositis.

In this regard we are enclosing our programme which we would be pleased if you could circulate them to your colleagues to see if anyone is interested in attending. The registration form is also attached and will also be available from our website [www.myositis.org.au](http://www.myositis.org.au)

Room bookings for the Rydges are now open and you can secure your room by clicking on the link <https://www.rydges.com/private-page/myositis-association-australia/>

We sincerely hope that as many of you can come as it will not only increase your knowledge of Myositis, it may in turn help your patients with their treatment.
