

Neurology Consultant

Calvary Public Hospital Bruce, ACT

Permanent Part time Position

Salary Range: \$188,151 - \$232,185 (Plus Super) Pro Rata

About the role

Department of Neurology and Stroke is looking for an enthusiastic, hardworking and professional neurologist to expand the neurology services at Calvary Public Hospital Bruce (CPHB).

The Neurology and Stroke staff specialist provides expertise in the management of neurological conditions including stroke at CPHB in ACT. Specifically, this position provides general neurology and acute stroke services.

- Participate in the operations of general neurology and acute stroke service based at CPHB and care for clinically appropriate referrals from ACT and the surrounding region.
- Provision of neurology consultation to inpatients including service on the neurology on-call rosters. This includes participation in the 24/7 acute stroke service to deliver thrombolysis for acute ischaemic stroke patients.
- Provision of outpatient care in neurology.
- Contribute to the clinical governance of the service by undertaking clinical audit, morbidity and mortality review and practicing evidence-based medicine.

Mandatory

- COVID-19 vaccination is a mandatory requirement unless assessed exempt
- Registered or registrable as a Medical Practitioner with the Australian Health Practitioner Regulation Agency (AHPRA).
- Fellowship of the Royal Australian College of Physicians, or equivalent.
- Training and experience in Adult Neurology to a standard accredited by the RACP STC in Adult Neurology.
- Demonstrate sub speciality experience by completion of fellowship, other than Stroke fellowship, accredited by the RACP STC in Adult Neurology.
- Demonstrates experience and participate in neurology on call roster including acute stroke.

Essential

- Demonstrated commitment to the maintenance and further development of skills in the specialty, including involvement in further education and continuing professional development.
- Experience in independent research as evidence by publication outputs.
- Basic level of proficiency in clinical service management.
- Demonstrated analytical skills, both verbal and quantitative.
- Demonstrated strong commitment to supervision and teaching at all levels including medical, nursing and allied health professional staff, and evidence of prior experience in supervision and teaching or relevant skills and interest.
- Demonstrated understanding of and commitment to all aspects of clinical governance.
- Ability to work with and lead a team of health professionals.
- Demonstrated ability to consistently display a commitment to, and compliance with and leadership in high quality Customer Service, Workplace Diversity, Occupational Health & Safety and Industrial Democracy principles, practices and relevant legislation relating to these areas and an understanding of and commitment to the values of Calvary Healthcare and Little Company of Mary.

Closing date for applications: 11:45pm Sunday 17th July 2022

How to apply

Applicants are expected to respond in writing and include the following:

- A one page cover letter outlining why you believe you are suitable for this role (a response to selection criteria is NOT required and will not be considered as part of your application)
- Current Resume that includes contact details for at least 2 professional referees

Applications must be submitted online via: <http://www.calvary-act.com.au/career-vacancies.html>

Note the outcome of this recruitment may be used to appoint to temporary, full-time and part-time positions within 12 months

About Calvary

We are a leading provider of quality, integrated care that puts our patients, residents and clients at the centre of everything we do. Calvary offers flexible careers in clinical, allied health, hospitality, ICT and health administration, mission, leadership, management and more.
