

Neurology VMO Position

3 month Locum

Gosford/Wyong Hospital

Central Coast NSW

The Department of Neurology at Gosford Hospital seeks suitably qualified applicants to work as part of a team covering general neurology within the Central Coast Local Health District. This role is currently a recurring locum position until a permanent position becomes available. You will join a dedicated team including seven General Neurologists, 2 ANZAN approved AT positions, 2 BPTs 4 JMO's. You will work closely with the stroke team which looks after stroke at Gosford Hospital (Currently 2 stroke neurologists, stroke fellow + intern)

The appointment is based at Gosford Hospital and Wyong Hospitals. The CCLHD population has an approximate population of 335,000.

Responsibilities will include 1:8 ward cover across both hospitals. Salary and conditions are in accordance with the NSW Health VMO Award.
