

## **WAIKATO HOSPITAL CONSULTANT NEUROLOGIST**

### **WAI15834**

Due to a retirement within our team we have an exciting opening for an experienced Consultant Neurologist. Subspecialty expertise for the Neurologist post would be an advantage ie; EMG/ENG or Botox for Dystonia.

#### **About the service:**

The Department of Neurology provides both secondary and tertiary level inpatient, day-patient, outpatient and neurophysiology services to both local and regional populations with close links to the regional Neurosurgery Unit based at Waikato Hospital.

#### **About the role:**

This is a challenging role which demands outstanding professional and leadership skills, commitment to the specialty and a vision of providing a team-based service founded on excellence in all aspects of the business.

There is an academic division of the Faculty of Medicine and Health Science, University of Auckland on site, along with a well-equipped clinical school which acts as a teaching and training centre for an increasing number of undergraduates and postgraduate medical and allied health science students.

#### **Why us:**

The Waikato District Health Board (DHB) is one of the largest of 20 DHBs in New Zealand.

We plan, fund and provide health and disability support services to a population of more than 400,000. We run five hospitals across the district – a tertiary hospital in Hamilton, a secondary hospital in Thames, and three rural hospitals in Te Kuiti, Taumarunui, and Tokoroa.

Waikato Hospital in Hamilton is one of New Zealand's largest tertiary, teaching hospitals with over 600 inpatient beds and 22 operating theatres. Clinical specialities include Women's and Children Services, Cardiology / Cardiothoracic Surgery, Oncology and Haematology, Surgical services, and Mental Health and Addiction. Waikato Hospital is the Midland regional referral centre for multiple specialties including trauma surgery, oncology, and neurology.

We are a values based and inclusive organisation that is committed to deliver the best health outcomes for our total population. To do this we are working hard to develop a robust and capable workforce that reflects the population we serve. We strongly encourage applicants from all backgrounds with the necessary capability and who share our values to apply and would greatly value seeing more applicants from our Māori communities.

#### **Required skills & experience:**

- Legally able to work in NZ
- Good communication skills.
- Motivation and enthusiasm
- Proven team work strengths
- Proven geriatric neurology experience would be preferred.

Applicants must have advanced training in Neurology and be eligible for vocational registration with the Medical Council of New Zealand (for details see [www.mcnz.org.nz](http://www.mcnz.org.nz)).

For further information on this position and it's possibilities please contact Dr Beatriz Romero Ferrando, Clinical Director Neurology [Beatriz.RomeroFerrando@waikatodhb.health.nz](mailto:Beatriz.RomeroFerrando@waikatodhb.health.nz) or visit the website on [www.waikatodhb.govt.nz](http://www.waikatodhb.govt.nz)

### **Your application:**
