

Stroke Neurologist Staff Specialist

3 month Locum position

Gosford/Wyong Hospital

Central Coast NSW

The Department of Neurology at Gosford Hospital seeks suitably qualified applicants to work as part of a 3 person stroke team covering the Central Coast Local Health District. This role is currently a recurring locum position until a permanent position becomes available. You will join a dedicated team including two Stroke Neurologists, stroke nurse CNC cover within hours 7 days per week, stroke fellow and intern.

The appointment is based at Gosford Hospital and provides cover to Wyong Hospital for hyperacute stroke care. The CCLHD population has an approximate population of 335,000 and the two hospitals see a combined ~950 strokes per year.

Responsibilities will include 1:3 ward cover and 1:3 hyperacute stroke roster cover. Applicants require stroke experience and familiarity with the current hyperacute stroke treatment paradigm. Salary and conditions are in accordance with the NSW Staff Specialist (State) Award.
